User Manual
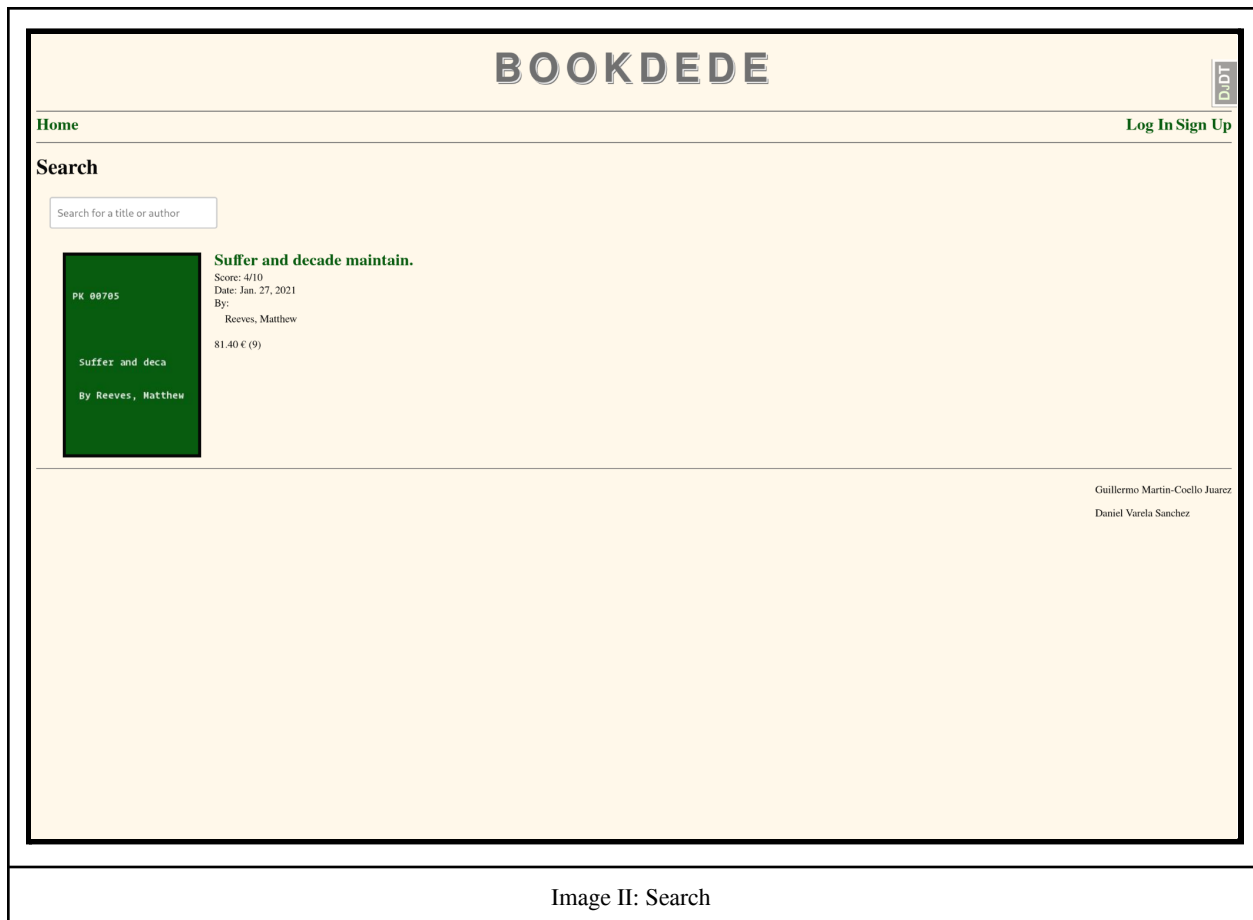

Part 1.1: Book Navigation.

The first page when you navigate to the webpage is the home screen. Here you can see the most Popular books of the shop and also the most recent ones. If you hold your mouse on top of a specific book some detailed information about it will show up. From this page you can search for a specific book or author (Part 1.2), Click on a specific book to see the corresponding detail page (Part 2), log in (Part 3) or sign up (Part 4). At any moment you can go back to this page by clicking on the "Home" button.

Image I: Home page

Part 1.2: Search.

On the home screen (Part 1.1) you can find a search bar on the top left part of the screen. Here you can search any book by author name or title. You can also write part of the author name or title. All books

matching the search will show up, and the search bar will get empty ready for the next search. You can click any book to see the detailed information (Part 2).

Image II: Search

If more than five results match the search the result page will be split on different pages you can navigate through the pagination function at the bottom of the page.
